

Quality Policy

The management of INSEKO a.s. in accordance with the strategic intentions of the company and in accordance with the requirements of the STN EN ISO 9001 standard, declares its commitment to the permanent satisfaction of customer needs and expectations:

1. Constantly follow, analyse and monitor the needs and expectations of our customers.
2. Meet customer requirements in the required quality.
3. Continuously increase the efficiency of the company's quality management system.
4. Maintain a high level of stakeholder satisfaction.
5. Educate and manage employees, create suitable conditions and working environment for them to meet the set goals.
6. Develop partnership relations and cooperation with key suppliers in order to maintain and improve the quality of supplied products.
7. Actively involve employees in improving the product and increasing the efficiency of the company's quality management system.

Ing. Martin Bukovinsky
CEO
